

The Wine List

From the sea, in order.

Greece First. The Mediterranean Next. The Rest of the World Only If It Earns Its Place.

Everything here starts with the sea. Inspired by the Greek islands and sitting right on the harbour, our menu follows the catch. The wine does too. Mostly Greek, unmistakably Mediterranean, and always poured with a good time in mind.

HOW TO GUIDE YOUR EXPERIENCE

The Journey

Greece first, then the Mediterranean, then the wider world.

Glass or Bottle

The pours come first, including rare bottles by the glass via Coravin. The full list that follows is by the bottle.

When We Say Dry

Many of our rosé and aromatic whites are floral and expressive, but finish fresh and dry.
